

The different places on the farm

There are 3 hen houses with electric doors.

There are 1 thousand hens. The electric door is used to block foxes.

There is also an orchard with any kind of trees.

There are 3 greenhouses with any kind of vegetables.

There is a vegetable garden where they grow vegetables like radishes and eggplants. It's a place where the dog loves to come !

Finally, there are fields where there are horses.
