

Gp2_The farm : different places

→ Present the different places on the farm and the activities related to them.

The orchard :

We went to the orchard. In the orchard, we identified the trees.

The meadows :

We went to the meadows. In the meadows, we moved the grass and we looked at the soil.

We went to the hen house. We fed the hens and we collected the eggs. It was funny !

With Gaelle, we went to the green houses and we identified every vegetables.

It is very interesting and we had a good picnic in front of the farm .
