

A short biography of Claire and Gaëlle

Claire Wills is 41. She was a strategist in advertising. She was born in Subiaco in West Australia from 2 South African parents. She doesn't have any kids, just animals. She studied a lot but didn't have any degrees. She opened the farm to do something to fight climate change. Her next project is to help other farmers to farm in a way that takes carbon out of atmosphere. Claire likes to ride, learn and generate new ideas. In the farm her favorite activity is to do anything outside in summer. Her best memory at the farm is when her and Gaëlle ate the first tomato from their own greenhouse.

Bérénice - Océane

The name of the farmer is Gaëlle Bonnioux. She was born in 1983 in Equemauville. She is 39 years old. She studied economics and finance when she was younger. She also studied agriculture 3 years ago.

She opened the farm because she wanted to do something good for the planet and for her children. Her favorite activity at the farm is the harvest. She doesn't know what her next project is. Maybe help other farmers.

She likes traveling, languages, meeting people and watching movies. She loves dancing, outdoor sports (especially surfing), playing the piano and singing. Her favorite activity at the farm is the harvest. Her best memory is when they planted 300 trees at the farm in 2020; it was the real beginning of their adventures.
