

Gp6 Bonus shop :sowing carrots seeds

Explain the different steps (and the tools that you need)

Pictures N°1 and N°2

First , we took the gridder and put the gridder over the growing beds. We made different squares fairly.

Pictures N°3 and N°4

The woman gave us carrot seeds. We put the carrot seeds in the seeder.

Pictures N°5

We put the seeder along the guiding line. We moved the seeder on the growing bed.

Here is the growing bed after sowing the seeds.
